At the Dersingham Village Centre supper on the 18 September a management group was formed to prepare the constitution, discuss action to be taken and circulate information. Once the management group is in place fundraising will commence. There will be differentiation between the construction and monies raised, therefore the parish council will not be involved with the banking of funds. A Chair Cllr Payne will be a member of the Management group.

12096 Minutes of the Recreation Committee Meeting held 11 August 2015 & 7 September 2015.

The skate park was due to be inspected by a local business person however due to illness in the family was unable to attend. **Clerk to liaise and rearrange meeting.**

Cllr Hipkin expressed concern that the vandalism appears to be ongoing with the ramp and maybe removing it should be considered, also that the repairs made need to be more robust. Cllr Davey felt that it would be a loss to the Recreation Ground should it be removed as it has been part of the grounds for 10 years.

12097 Minutes of the FGP&A Committee Meeting held 11 August 2015 & 7 September 2015.

Minutes of The Enviromental Committee Meeting held 14 September 2015.

Cllr Anderson advised that there had been concerns regarding the Trod being uneven. The Trod had been re-rolled however the soil from the verge is beginning to fall onto the trod causing problems. The Clerk has written to the county council to request the area to be turfed or chamfered to prevent this happening, to date there had been no response.

Orchard Close has been earmarked for the streetlights to be changed to LED's. Cllr Anderson updated on the progress of the pond, quotes have been received for the lining of the pond with some being incredibly high. A clay liner had been considered but thought it would be too difficult to ensure it was water tight. The Clerk had obtained details regarding a Geo 2 Textile liner, this is a single layer liner that contains clay and expands and seals. This has the capability to self-repair should the pond receive any damage. Cllr Anderson also offered the option that if the lining of the pond is too expensive at the current planned size then it could be a possibility to reduce the size of the pond to allow the correct liner to be purchased.

The tree work intended to take pace will be covered by the £1000 allowance. Cllr Edwards enquired who is responsible for the overhanging trees along Heath Road. The Clerk advised it was Dersingham United Charities who maintained them. Cllr Brundle enquired about the trees along Hunstanton Road and the branches overhanging. Cllr Anderson advised they are to have the crown lifted and this would solve the problem. Also that the Tress of Heaven are to be excavated and the roots cut to slow down the growing process but will not cure the sucker problem. **It was resolved The Clerk would contact Dersingham United Charities.**

12100 War Memorial - Wreaths.

Cllr Hathaway had been approached by a parishioner with regards to the duration the wreaths are left on the war memorial. Cllr Hathaway advised the war memorial website stated no official time scale and it was at the discretion of the relevant local authority. Dersingham Parish Council have no policy regarding this. Cllr Hathaway suggested a metal rack be set in place for the wreaths to be displayed along with crosses at a cost of £240.00 and requested opinions for the timescale for the wreaths to remain in place. Cllr Brundle advised that The British Legion wreaths are on display for one year, should any become tatty during that time they will be replaced by any spare wreaths. Cllr Brundle expressed concern that the rack suggested will obscure the view of the war memorial and she had asked Alan Cross to do something. Cllr Payne advised that Cllr Brundle could not commission work to be carried out as it has to go through full council for authorisation. Cllr Edwards suggested using the Village Voice to canvass opinion concerning the installation of a rack and the duration of display for the wreaths. Cllr Edwards also felt Cllr Green should be
